TECHNOLOGY STUDENT ASSOCIATION

About Conferences Connect Join Us Contact Us

YOUR 16-17 STATE OFFICER TEAM!!

Experience
Georgia TSA prepares its members to be successful leaders in a technological society through co-curricular activities like communication, leadership, teamwork, and competitive skill development.

Leadership
Students are exposed to leadership learning and opportunities through officer participation, committee participation, and leadership activities that are incorporated into the classroom and/or chapter meetings.

Competitions
Offering over 70 competitive events for middle and high school students, TSA events appeal to a wide audience. Events include website design, dragster design, engineering, biotechnology and more!

Dedicated exclusively to students enrolled in engineering & technology education pathway programs. TSA Chapters prepare students to be successful inventors, designers, creative problem solvers, responsible citizens and leaders in a technological society.
